

XSHORE
SPORTS UTILITY CRAFTS OF SWEDEN

Welcome to XSHORE Captain!

Explore safety, speed and control. Enjoy the fun in calm inland waters as well as extreme offshore performance. Designed for everyday quality life on the sea and comfortable cruising. We took crucial technology from professional rescue and military crafts and implemented them into the XSHORE modern design. Hypalon* inflatables along with a durable fibre glass hull makes XSHORE a sleek, rugged and heavy duty boat. With XSHORE you get quality engineered craftsmanship at a reasonable price. The boat is light weight which makes for easy transport and convenient to unload and upload by trailer into the sea.

Book your test drive today.

All Xshore RIB crafts includes:

Black hull, Bilge pump, Stainless steel ladder in stern, Comfortable seats in waterproof material, Two security class 3 locking loops, one placed in the stern and one in the bow, Anti slip strips on the deck, Hydraulic steering, including hi-performance steering wheel, Bow and stern lockers with stowage space, Driver console, passenger seats, Watersport pole, Two 12v power outlets, bow and stern navigation lights, 2 x Hella head lights.
